MOSES DARED TO FOLLOW THE LORD NO MATTER WHAT IT COST

Moses grew up as the adopted son of the daughter of the king of Egypt. But when he saw that his own people, the Israelites, were being mistreated by the Egyptians, he gave up everything he owned to obey the Lord's command to lead his people out of Egypt. Moses also obeyed the Lord in many other ways during the forty years that the people of Israel wandered through the desert. But there was a time when he failed to obey the Lord, and because of this, the Lord did not let him enter the promised land.
