Everything written in the Scriptures was written to teach us, in order that we might have hope through the patience and encouragement which the Scriptures give us.

Getting the Most Out of Your Daily Bible Reading

As you read the Bible each day, allow the Scriptures to speak to you. This daily “dialogue” between you and the biblical text will reveal new understandings about God and about yourself and your relationships.

Pray with focus and openness to see what God has for you: *God, connect with me here, as I seek you in your Word.*

Read the selected passage of Scripture slowly. Take note of intriguing words or phrases. Read it a second time.

Reflect on what strikes you as you read. Think through what God is communicating to you at this point in your life.

Respond to the passage. Speak to God directly about what’s on your mind and heart. Look for ways to live out what you’ve encountered.
